YOUTH AND ELDERS RETREAT ON THE LAND - JUNE

ANNUAL GENERAL MEETING & INUIT YOUTH ENGAGEMENT DAY

This year, we want to bring the Annual Assembly to another level, adding special value to this professional youth gathering, by having an extra day of Inuit Youth celebration related to engagement and involvement. QYC wants to use this opportunity to encourage youth to be active in their communities, make positive changes and be a positive role model for the people around them. Between musical performances, animation, leadership workshops, networking exhibitions and most of all, the inspiring keynote speakers and performers, this day is about learning, coping, inspiring and motivating.

This event took place in September 2022

Communication Tools

Website

In 2018, QYC launched its website as a platform to allow youth to access relevant information and apply for funding or to participate in an event by filing out an easy application form, per example.

We plan to continue to add to this website useful information, videos, opportunities and more!

Social Media

Since QYC's creation, Facebook has been one of the best tools to reach out to our clientele. We also launched our new TikTok page this year, 2022!

During the two previous years, QYC's Facebook page was able to get more than 2.1K subscribers and some of our most popular publications reached up to 9.1K people in Nunavik.

Nakurmiik!
